News Views Editorial

Hello All,

Felling Hot Hot Hot indeed, as we write it's 28 degrees and going to get even hotter still, could be in the 30's tomorrow... Must restock the beer fridge from last month's football, let's not mention the final though!

Very importantly, there are details of the Parish Survey on page 11, there was a paper copy delivered with N&V last month or you can complete it online. It's so important that you take 10 minutes to do this as it will shape the future of our village, What's more, one lucky participant will win a £50 voucher! Jeeze, what more do you want? Most of us happily give our opinions for free, here's a chance to win something for them!

GALA NEWS!!! Yes, Caythorpe Gala news can be found on page 8, it's all systems go in the planning department, there will be all your favourites such as stalls galore, traditional games, Tug-o-war, BBQ, The Dog Show and a very exciting musical act to really make the day go with a bang! Not going to say who, but the residents of Waterloo Close will love it and if any royalty turn up we may have a Dancing Queen on the go...Mamma Mia it's gonna be great! (Have you guessed yet? That's right, It's Iron Maiden...) Details of the Raffle, Tombola and Famous Caythorpe Dog Show can be found there too and don't forget, if you want to help with the set up on the day, the Organisers would love to hear from you!

Stay savvy and keep safe! Laura & Pete

School Games Day 2021

"Where Learning Comes First"

We are very proud of our Platinum School Games status. The Platinum award celebrates schools who have shown consistently high levels of enthusiasm and commitment to school sport. The School Games aims to provide every child with a positive experience in an environment where the young person's motivation, competence and confidence are at the centre of the competition.

Sports played this year were Boccia, Golf, American football and Ultimate Frisbee.

The day began with an opening ceremony. Mrs Hunt explained the "Reframe of Competition!" The aim of reframe competition is that every participant has a positive experience and achieves some level of success, whether it's personal to themselves or part of contributing to the performance of the team.

Underpinning the School Games are six values of **passion, belief, respect, honesty, determination and teamwork**. These were developed by young people to identify what the experience of school sport should be built around. These values are by schools to developing a range of behaviours, qualities and inter-personal skills with their students based on sporting experiences, scenarios and attitudes.

The following children were presented with a certificate for displaying the Games Values at the closing ceremony.

Hogwarts –	Marley, Harry B, Daisy, Lewey-Fynn, Emily C and Hannah
Narnia –	Ralphy, Travis, Lulu, Hayden, Jess M and Poppy
Neverland –	Jack M, Denver, Jack S, Harvey, Albert and Mason
Enchanted Forest –	Warren, Mehrimah, Finlay, Willow, George and Layla.

Hogwarts Visit PGL

Due to Government guidelines, many schools had to cancel their residentials this year. With risk assessments in place we were able to go ahead with the Year 5 and 6 visiting PGL albeit for just a day. The site covers 65 acres of space at Caythorpe Court, it's packed full of adventure activities on land and water.

The children arrived at 8.30am, their excitement certainly not dampened by the dreary weather. The children were accompanied by Mrs Laing, Ms James and special guest Mrs Brockington. Mr Liddiard also couldn't keep away, visiting the children at lunchtime. Children took part in zip-wire, orienteering, raft building and the climbing wall. Each challenge designed to help pupils reach further and achieve more.

Miss Foer's Forest Fun

Year 5 and 6 have been benefitting from Miss Foer's training as a Forest School's practitioner. The idea of Forest schools originated in Scandinavia.

Learning takes place in woodland or a natural wooded environment, to support the development of a relationship between the learner and the natural world. They aim to promote the holistic development of all those involved, fostering resilient, confident, independent and creative learners. Games all have a nature theme, "fire in the forest," "otter and heron" and Eagle eyes. Lottie said, "It's a great way to start the day!" She agreed it gets all the children engaged and focussed. More importantly, the children have great fun! Miss Foers hopes to gain a role as a Forest Schools Teacher as she moves on from Caythorpe in the Summer.

Goodbyes

This time of year, is always bitter sweet, as we look forward to a Summer break, we must also say goodbye to pupils, colleagues and friends.

Goodbye and good luck to all of our Year 6 children. I have the pleasure to say that I taught most of our Year 6 leavers during my time as Deputy Head. They have been amazing throughout their primary years at Caythorpe School and I am certain that they will continue to succeed at secondary school.

Yet staff also leave for pastures new. It is with great sadness I announce that Ms Riches, after 21 years of dedicated service to the school will be leaving us at the end of term. Ms Riches has seen many children progress through the school and has taught across all age phases with passion and commitment to ensuring the children get the best education.

Also, Mr O'Mahoney, a much loved and respected class teacher, is returning to his homeland of Ireland in the summer. Every child could not wait to reach year 6 so they could be in Mr O'Mahoney's class! They will be greatly missed by all at Caythorpe. We wish Ms Riches and Mr O'Mahoney all the best in their new adventures.

Village Hall Cancels Breakfasts

The committee have very reluctantly decided to cancel the very popular monthly breakfasts for the foreseeable future.

Despite our best endeavours including an article in News & Views last month no-one has come forward offering to act as cook (ideally we need more than one person in order that we can spread the work load over time). We have an excellent team to help with all aspects of serving breakfast but cannot proceed without a cook.

If you are able to fulfil this role or would like more details please do not hesitate to contact **Bruce Nelson** on **01400 273249**

Garden Society Annual Open Show

Sadly we have decided to cancel the show which was planned for Saturday 21 August following a recent risk assessment. The organisers are doubtful that an appropriate level of protection from Covid could be provided particularly during the peak periods of activity.

It is very disappointing to cancel the show again, particularly as most of the preparatory work has been done, but the safety of the members of the public who support must come first.

Caythorpe Open Gardens

We are looking forward to August 22nd
Several village gardens will be open for you to
explore between 2pm - 5pm

Charity Coffee Morning

Friday 13th August 2021 10.30 am – 1.30pm

Caythorpe Village Hall

In aid of the Alzheimer's Society and in memory of Joyce Levesley we're holding a coffee morning on the 13th August 2021. If you knew Joyce, you would know she had a love for all things cake related and could often be found supporting a community event with her homemade cakes.

Joyce lost her battle with Alzheimer's earlier in the year and we couldn't give her the send-off we had hoped due to COVID-19 restrictions, but we invite you to join us now to do just that. Come and have a natter, enjoy a cuppa and a slice of cake, or take away and enjoy at home.

Whether you knew Joyce or not she would want you all to enjoy a nice slice of cake in her memory.

Everyone's welcome!!!!

Dear All,

The summer holidays have arrived and hopefully fingers crossed, the children will be spending lots of time outside in the sunshine.

The last half term of the year! We continued with our theme on nature and the World. We learnt about the bees in our gardens and how clever they are collecting the pollen and turning it into honey. We tried honey sandwiches at snack time and made a beautiful wall display using our cutting and sticking skills.

Thank you to our local beekeeper Simon for letting us look at some honeycomb, beeswax and the bug/bee hotels.

We had our own little Sports Day at Pre-School, the children tried really hard to use the hoola-hoops and there was just a little bit of cheating going on during the egg and spoon race! Everyone had a good time and it's not about the winning it's all about the taking part!!?

The children decided they wanted to be pirates, they made hats, telescopes and drew treasure maps and sailed their cardboard boats.

We made a map of the World and talked about the different animals and creatures and where they live and why we need to look after them.

Our summer term ended with a party and following songs for parents and the "Goodbye song" the Pre-School children were presented with their traditional gift of a PE Bag to take to "Big School"

As we send them on their way we wish them lots of happiness for the future.

We reopen in September but if anyone is considering sending their children to us in the next few months or has any enquiries **caythorpepreschool@googlemail.com**.

In & Around The Garden

July is changeover time in the garden. Early flowering plants, such as alliums, anemones and some of the hardy geraniums need cutting back or tidying up before they set seed or swamp their neighbours. Some may flower again later in the year, but new plants are having their turn to shine. Day lilies buds are starting to open, and the flowers are big and beautiful. I particularly like Pink Damask (pictured) and Marion Vaughan, which has big yellow trumpets and a lovely scent. Some of the spectacular American hybrids flower earlier, but the buds can be infested and destroyed by hemerocallis gall midge. The later varieties generally escape this nasty little pest. Although each flower lasts just one day, they open in succession. My Pink Damask has 16 flower stems, each with up to 16 buds, so the display lasts for weeks.

Veronicas (speedwells) are a genus that seldom features in gardening programmes. One species is a common lawn weed, but other members of the group are beautiful garden plants, and I grow several different ones. The first to flower is a ground cover plant with dark blue flowers in spring. Another early one, the gentian speedwell, has a flat rosette of leaves and a foot high stem bearing typical speedwell flowers with four blue petals and a white eye. The summer flowering varieties have long conical heads of tiny deep blue-purple flowers, and could be mistaken for salvias from a distance. The smallest grows on the rockery with flower stalks just 4 inches high. The tallest reaches around five feet. There are also some pink varieties, although I prefer the dramatic contrast offered by the dark blue amongst other summer perennials. They all seem to be perfectly hardy and pest free, and are well worth a try.

A cautionary tale – some brown patches have appeared on part of the lawn near the shed. On closer inspection I found they were the same size and shape as my footprints. A few weeks earlier I had used weed killer on the worn grass path to the shed, in preparation for paving it. I waited until the spray had dried before walking on the area, but still managed to transfer some to my shoes and to the surrounding lawn. Oops! Luckily there wasn't enough on my shoes to kill the grass completely and the brown patches are starting to fill in, but I'll be more careful in future.

One cool, damp morning I noticed that hoverflies were out in force. Most of them were small, with bands of yellow, black and white across the abdomen. There were very few bees about, but the little hoverflies were on lots of different flowers, mostly eating pollen. Unlike the bumble bees, they didn't crawl inside tubular flowers such as foxgloves, but seemed particularly fond of the big anthers of the day lilies. They are useful pollinators, and the larvae of many species eat aphids, so they are always welcome. **JA**

Caythorpe & District Garden Society

Now that Carlton Scroop Village Hall has reopened, the Garden Society members were able to have a meeting with a speaker. The number attending was limited in order to maintain social distancing, and everyone wore face coverings.

Don Witton, a hardy plant enthusiast and holder of a national collection of Euphorbias, gave a talk entitled 'Once Seen, Never Forgotten'. Using slides as illustration, Don took us through his many memorable encounters with 'Glorious Gardens', 'Visionary Views', 'Fabulous Flowers' and several other alliterative categories. His cheerful delivery and obvious enthusiasm for the natural world made for an entertaining evening.

It was with great regret that the committee decided that the annual flower show should be cancelled again this year, as the crowds that it attracts could not be managed safely in an indoor venue. An alternative event for members only will take place later this month.

The September meeting of the society will be held in Carton Scroop Village Hall on August 10th at 6:45pm for 7:00pm. The speaker, Trevor Rogers, will give a talk on pruning. Members will be notified of any changes to the program by email. Unfortunately we cannot accommodate visitors at this meeting. For information on the Garden Society, please contact David Fidler on 01400 272630.

Once upon a time....

.....before a Pandemic changed everything, seemingly forever, Caythorpe and District WI was a place of comfort for all of its members and so it remains today. Friendships have been formed that will last the test of time and skills and knowledge gained that will take us into the future and give us a better understanding of the world and the people in it. Welcome back!

On 10th July after what seemed like a month of constant rain showers, our members all met in Caythorpe Village Hall garden for our Annual Meeting (Covid restrictions still being in place). It was a gloriously hot, sunny day and this time instead of a lawn mower, our speakers had an RAF transport plane flying over us at least three times making it difficult to hear the speakers again. Fortunately, it wasn't the flypast of the ten RAF Puma helicopters we had heard three days earlier, we'd have had to have stopped and look to the sky as they marked their 50th anniversary.

Pauline Dorey, our outgoing President welcomed us all and introduced Marilyn Hood, a WI Adviser and member of Long Bennington WI. She was here to adjudicate at our election for a new President for 2021/22, she sat in whilst our usual business was conducted and reminders of future events given.

We will be having our usual HOOPLA stall at Caythorpe Gala on 4th September and Pauline appealed for donations of prizes suitable for CHILDREN only but NOT chocolate please.

The NFWI (National Federation) have set us a challenge to **"Knit the Viking Way" by making knitted or crocheted scarves 5/6" wide and 60-80" long that if put end to end would cover the Viking way.** Apparently we need 116,500 scarves, so come on folks! Get Knitting! We have until the end of October and all scarves after being displayed will be given to charities. Another challenge from our local Lincolnshire South Federation is to **create a pennant to represent our WI on the Federation's Bunting.** Any medium or material can be used but we only have until the end of September to complete that, creative thinking caps on!

The Christmas Lunch (yes, really) has been booked for **9th December at the Red Lion at Caythorpe** after we had to cancel last year's booking for obvious reasons. Put all these dates in your diaries and hopefully have something to look forward to at last.

Business over, Ann Ashcroft entertained us with a 30 question quiz based on our knowledge (or not) of food and drink. We were surprised to discover that we didn't know as much as we had thought.

The Annual meeting aspect then kicked off with Ann reading the Annual Report which, due to Covid and lack of meetings last year, was very short.

We had a majority vote in favour of a constitutional change. That was; to change our monthly meeting from 7:30pm in the evening to 2-4pm in the afternoon but still on the second Thursday of each month and still in Caythorpe Village Hall, but the large hall this time not the

small one at the back which we have had to use previously. We await the Board of Trustees approval.

The financial reports were read, approved and adopted and then Pauline gave us her final Presidents Address before handing on the baton. She began by thanking Ann Ashcroft who is also stepping down this year as secretary. Ann has had some health issues and we all wish her well, she will remain a committee member.

Deirdre Sanders was also thanked for her excellent running of the “WI Bookworms” book club who meet each month to review a selection of books from Lincolnshire Central Library, we have twelve members currently and no spare places at the moment. Deirdre is to continue in that role.

Pauline then, to my surprise, thanked me for having been able to produce a report each month during lockdown and commented on how she didn’t know how I thought of things to say when nothing had been happening! Being Irish, I have put it down to having “the gift of the gab”. I was then presented with a bouquet and an M&S voucher for which I thank you all very much. I am not on the committee but enjoy making this contribution each month. In her final address Pauline became quite emotional showing us how much our WI “family” meant to her. She composed herself in time to also be given a huge bouquet and voucher in thanks and recognition for her dedication and leadership this past four years. She will be treasurer on the new committee.

The visiting adviser, Marilyn Hood then began the election procedure and counted the votes and we are happy to say that **Angela Turner was nominated and accepted and is now our new President** for the foreseeable future.

Marilyn then spoke for a short time and said that the one thing that we can take away from this whole Covid lockdown experience is that we have been able to do things differently. We have been able to adapt and be flexible and she asked that we continue to do this in future. Thinking “outside the box” is what some would say.

Ann Russell gave the vote of thanks to the outgoing committee and to Pauline, then welcomed the new one and our new President, Angela Turner, wishing them all good luck.

Pauline handing over to Angela

Our next meeting will be on Thursday 12th August at 2-4pm at Caythorpe Village Hall. The monthly competitions will resume and in August it is any item beginning with the letter “A”, the Flower of the Month will continue too. Just bring a bloom in a small pot and members will place coins beside their favourite. Guests are always welcome, so come along for a visit and try us out before you decide to become a full member.

The WI Bookworms (Book Club)

The book club receive a different book each month from Lincoln Central Library. There is a good variety of books from love stories, historical, autobiographical and murder most foul. They have proved interesting and provoked much debate. We rate each book from 0-10; many fall into the 5-8 category. Here are a few that we all enjoyed before the lockdown began.

LCC UPDATE SUMMER 2021

Further investment in Highway maintenance

We are proposing to invest an additional £10m in Highway maintenance this year, which comes in addition to the £12.3m we invested from reserves to make good the 25% reduction from Government for 2021/22. This funding takes the total highways maintenance budget to £61m this year. The investment has been possible because the cost of delivering council services was less than forecast last year. We will be targeting the additional funds on our B roads and minor roads, and where possible we will be rebuilding and resurfacing and not just filling potholes.

Lincolnshire Fire & Rescue rolls out £8m of new Engines and Equipment

The last of 33 new Scania appliances was recently delivered to Waddington, marking the end of an £8m roll out of new fire engines and equipment put into service across Lincolnshire. The new equipment not only keeps our communities safer, but also keeps our firefighters safer, as our fire crews in Lincolnshire will be some of the best equipped in the UK.

Wildlife photographer of the year exhibition is in Lincoln

The Natural History Museum's Wildlife Photographer of the Year exhibition arrived at The Collection Museum, Lincoln on Saturday 3 July. The world-renowned exhibition is on loan from the Natural History Museum in London, featuring exceptional images which showcase the breath-taking diversity of the natural world. Booking is advised via www.thecollectionmuseum.com or 01522 782040.

Cricket News

With the Cricket Season now past the half way mark, Caythorpe's Senior Team have further extended their lead at the top of the Division 2 Table.

The first game of the period saw Lindum (Lincoln's Premier Club!) suffer a huge defeat by our rampant men. Batting first our Openers put on 58 for the first wicket. Joe Attewell was our number 3 and joining Chris Wharmby hit a magnificent unbeaten Century, reaching 128, his first for the Club. Chris Wharmby scored 41 and several others chipped in useful cameos in a total 265 for 7 wickets off our allotted 40 Overs.

A totally demoralised Lindum were then bowled out for just 44 runs, young bowlers Jack Butler and Owen Fitzgerald did most of the damage. Still an Under 15, Jack had figures of 5 wickets for just 8 runs from 6 overs, Owen took 3 for 13. For both, their best results for Caythorpe Seniors.

Moving on, Caythorpe next met North Scarle, who they defeated by 4 wickets. Batting first, N. Scarle amassed a decent score of 218 for 5 wickets. They probably thought that was enough, but Caythorpe managed to win with just two balls of the match remaining. Sandy Ireland hit 54. Our Senior Coach, Vince Markham, making a rare appearance as some of our younger players were injured or in Covid quarantine, added 38, and Captain James King hit a quickfire 35 not out to seal the victory.

The next game was the keenly awaited local "derby", against Barkston & Syston. Batting first, returning after a broken arm, Joe Dickinson scored 58 out of a Total of 160 all Out. Barkston were bowled out for only 81 runs, with Dan Pinfold leading the bowling with 5 wickets for 24 runs, ably supported by Alex Dickinson (also still an Under 15) who captured 3 early wickets for 9 runs.

Our Juniors are almost at the end of their Season, with the Under 15's currently leading the County table. Depending on other Team's results Caythorpe will either share, or hopefully be outright Winners. Since next year all of the Players will have moved out of Junior Cricket it is magnificent for the Club to see them finish their Junior career with such a tremendous result - and to have several already excelling in Senior Cricket - a tribute to our Coaches over several years.

Other age-groups have had mixed results, but all are consistently improving and developing their skills, and so many youngsters are now enthused with Cricket. It has been particularly noteworthy that so many Girls have made their mark in their Teams - and won some of the performance trophies at Presentation Night. Full details of this will be revealed next time, but at Under 13, three of the five Trophies were deservedly won by two Young Ladies, Olivia Cepelak and Andrea Kiddle.

Plans are already being laid for indoor winter training, which Covid has prevented for the last two winters.

*****STOP PRESS****

Caythorpe beat Waddington by 236 runs, scoring 308 for 6 wickets, the highest Caythorpe score I can recall. Waddington were bowled out for 72 runs.

Not from the Rectory

A day when the rector was sent to Coventry by way of Nuneaton and Rugby!

The idea for the day had come when, by chance, we watched a BBC documentary on the building of the new cathedral in the aftermath of the Second World War. It brought into our mind childhood trips to look with awe and wonder at this new building – in my case this would have been a visit with mother on a Mothers' Union outing where we joined a 'procession' some 4 if not 5 abreast moving as a single mass around the cathedral.

A day trip from Grantham involves many changes of train but with the simple expedient of taking the Cross-Country train from Stamford there is one single change of train at Nuneaton – or that, at least, was the plan!

We met our friends at Stamford and travelled together on the Birmingham train as far as Nuneaton only to find the onward train was for some un-specified reason not going to run! The helpful staff directed us to a Euston train for the journey south to Rugby where we had to change to a north bound service for Birmingham to arrive into Coventry some 30 minutes late.

With a taxi we were however still in time to attend one half of the lunch time service of Holy Communion – indeed the arrival of 4 additional members of the congregation boosted the attendance, so we were told, to the best it had been [12] since they had resumed offering this service as Covid rules relaxed!

After the service there was ample time to wander around the cathedral [while the organist played the Sinfonia from Cantata 29 by J S Bach 'We thank thee, God, we thank thee] and take in the Graham Sutherland tapestry of 'Christ in Majesty'- though for my money it is the John Piper window in the Baptistry which draws the eye with its blaze of light symbolising the Holy Spirit and merits Pevsner's accolade that it is 'among the best glass of the twentieth century'.

Stepping outside we could see the Jacob Epstein figure of St Michael and the Devil and the way in which Basil Spence linked the old cathedral, destroyed in the bombing of 14th November 1940 to the new cathedral built on a north-south axis using the available ground.

It fell to our Stamford friends to source the best place for lunch and with the help of a city guide from the cathedral we walked to 'Playwrights' at the Canal Basin which afforded a seemingly rural location in the centre of a commercial and industrial city.

No visit to Coventry would be complete without encountering that most famous citizen – Lady Godiva whose plinth proclaims that she rode forth clad only with her own chastity!

And from the upper floor of the 'Cosy Club' we enjoyed her hourly repetition of that famous ride to save the citizens of Coventry from her husband's crippling taxes!

Prayer Book evensong in the cathedral sung by the girls' choir [of 15] drew a congregation of 12 and was a beautiful and peaceful way in which to draw our visit to a close – all that remained was a taxi to the station for the direct North Western service from Coventry to Nuneaton and the onward Cross-Country train to bring

us back to Stamford and to our car for the journey home in the rain!

In words from the Coventry Litany of Reconciliation – Be kind to one another, tender-hearted, forgiving one another, as God in Christ forgave you.

With every good wish, **Stuart Hadley (Rector of the Southcliff Benefice)**

News & Views Shout-Out

Good afternoon Pete and Laura,

You may have noticed the High Street has been seriously disrupted lately. It's all down to Western Power (WP). I have been given to understand by the manager responsible that the village is having its power reconfigured over the next 18 months which will include a new sub station. Of course it would have been helpful to have heard all about this from WP. In fact we should have been. Once WP had authority to dig up the road those affected should have had a letter explaining all. As we know this didn't happen. The lack of information continues so having an open trench at the end of your drive comes as a complete surprise.

It would have been helpful for the Parish Council and the rest of the village to have been informed - perhaps an article in N&V would have worked. WP have failed to communicate on many occasions. For a company that tells you how important its customers are they have a lot of work to do to show it.

Peter Rushmere, Caythorpe High Street

EDIT: Having rung the WP Manager at Grantham and complained, he came out to apologised to me.
