Dear Sir/Madam

CAYTHORPE HEATH LANE – PROPOSED 15T WEIGHT RESTRICTION

Following a safety inspection, an issue has been highlighted with a bridge on Caythorpe Heath Lane and a TTRO restricting access for Heavy Good Vehicles has been issued on safety grounds.

Following this, with the safety issue still being present, a permanent weight restriction is being proposed for the whole length of Caythorpe Heath Lane for vehicles over 15 tonnes.

Before proceeding further, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time.

Any observations on these proposals should reach me in writing or via email by **10th December 2021**.

Yours Faithfully

Jamie Earls

Senior Traffic Engineer
