June 2022

News & Views Editorial

Hello Readers! How are you all doing? It seems to have been a very long month since the

Charlie Bear 2014-2022

last time we collated News & Views and so much has happened. Firstly, I wanted to apologise for being a little tardy with emails this month, we very sadly lost our beautiful chocolate Labrador, Charlie, on the 27th April after a short but aggressive illness and, as I'm sure many of you know, it's just such a heartbreaking time. No time is ever right to lose a much loved family member and it just hits you whilst you take time to grieve, look after yourself and your family until it becomes a little less raw. I'm adding a photo of Charlie this month as he used to sit right next to us as we pulled News & Views together every month, it seems fitting to remember him. He used to love it when all the boxes of magazines arrived and he could 'help' undo them :)

So, this is the Queen's Platinum Jubilee Edition for obvious reasons, here in Caythorpe we have 4 days of festivities on offer, you'll find everything within the Jubilee Program. There is also news of Hough on the Hill's festivities on page 14 so if you want to join in with the celebrations you'll be spoilt for choice! You'll find the centre pages dedicated to Her Majesty and a further message from Andy Roberts about the Jubilee Mugs for distribution to Primary and Pre-school aged children. News & Views, along with Rev. Geraldine Pond, will be judging the the Jubilee Fancy Dress Competition on Sunday 5th June (2 categories, Under 7's and Over 7's), so get your needles and craft boxes out, extra points for home made costumes!

Caythorpe and Frieston Village Hall Committee have an important notice on page 13, do make sure to check it out and have your say on the future of our Village Hall by attending their AGM.

Two fabulous new advertisers have come on board the N&V train this month, Sarah Dalton Dog Training and Lockshaw Locksmiths if you are in need of their services, please give them a shout!

Within the N&V Shout-Out we have letters from our locals regarding the No 1 Bus (Grantham -Lincoln), how very annoying that they change the timetable at the start of the month we print it in the magazine!!

Anyway, you all have a fabulous month, enjoy your extended bank holiday weekend however you choose to spend it and we'll see you in July. Laura & Pete

Call 01522 811510 for more information

St Vincent's Church Prayer Group

Prayer is at the centre of all that we do at St Vincent's. We believe that all we accomplish comes about not because of us but because of God.

Prayer transforms us; it enables us to become more the people God created us to be, and so draws us to share in God's creative and compassionate work in the world.

We believe that we are called to be persistent in prayer, both for ourselves, those in need, our community and the world.

The church is open every day if you would like to find a quiet space and a time to pray or you are most welcome to join us in Church on Monday's the 13th and 27th June at 2pm.

Specific prayer requests can be left in the box by the votive candle stand – you may like to light a candle as a focus for the prayer you offer. You can also send your prayers to loveden.deanery@lincoln.anglican.org marking them St Vincent's Prayer Group

The WI Craft Club

Wednesday 1st June, 2:00pm - 4:00pm

@ The Hammond Pavilion, Caythorpe

£2 per person to include refreshments

All Welcome, not just WI Members

CAYTHORPE & FRIESTON VILLAGE HALL

Does your Village Hall have a future?

Your Village Hall is facing something of a crisis with ever increasing daily running costs and necessary repairs to an ageing building combined with a post pandemic reduction in bookings and income.

Whilst in good financial health having received some £31,000 in

Government grants related to the pandemic these will soon disappear on much needed roof and other repairs.

The current business model is not sustainable longer term despite the best efforts of the current committee.

Please come along to our AGM to be held on Wednesday June 8th at 19.00 in the Village Hall to air your views on the future of the hall or to put yourself forward as a member of the committee to help run it.

If we are unable to have a viable operation run and supported by our community then there will be no alternative other than to hand the keys back to your Parish Council and for them to decide what to do with your Village Hall.

Hough On The Hill Platinum Jubilee Celebrations

You are warmly invited to take part in the village events planned to mark this extraordinary day in our National life.

We begin with a Beacon Lighting Gathering at 9pm on Thursday 2nd June at the Hough on the Hill Beacon which is just off the Caythorpe Road. Come along and bring with you whatever will make your night special, Friends and Family, something Warming to Drink or a right Royal Cocktail of your own making, your own lantern perhaps?

The Jubilee Street Party takes place on Friday 3rd June at Midday, ending at 3 o'clock and will be held at the centre of the village between The Brownlow Arms and the Church. In the event of bad weather, you will be directed to a nearby barn; our back up venue.

This is a free to attend event, tables and chairs will be set out, all you need to do is tell us you would like to come along and then bring your own food and drink and why not something extra to share?

We're hoping to have music, old fashioned games like 'Splat the Rat' and 'Skittles' and even her Majesty herself dropping in by parachute*

Please contact ASAP - stevenbacon321@gmail.com / 07817 501889 / 01400 250304

The Film Review By Him and Her

In Association with Savoy Cinemas

SAVOY
cinemas

Enjoy movies how you're
supposed to on the
BIG SCREEN!

BOOK TICKETS NOW AT WWW.SAVOYGRANTHAM.CO.UK

Synopsis: A couple desperately try to hide their daughter, Charlie, from a shadowy federal agency that wants to harness her unprecedented gift for turning fire into a weapon of mass destruction. Her father taught her how to defuse her power, but as Charlie turns 11, the fire becomes harder and harder to control. When a mysterious operative finally finds the family, he tries to seize Charlie once and for all -- but she has other plans.

Him: If you like a traditional Stephen King type thriller, then Firestarter is the film for you, Traditional in length, 90 minutes - traditional in format – 30 minutes set up story, 30 minutes build up and 30 minutes conclusion - traditional for a Stephen King Film altogether....blink and you might think you are watching an updated but younger version of 'Carrie'.

The Acting is good quality, Zac Efron as the father especially so. 'Charlie' The Daughter and protagonist 'Firestarter' of the title is played very well by Ryan Kiera Armstrong, and there is a smattering of other cameo roles of actors who you will recognise from other films and TV shows, so it's a positive tick on that front.

It's traditional (there's that word again...) Stephen King fare, supernatural powers, shadowy antagonists out to get their hands on it and use it for their own nefarious ends. The usual thriller style of pursuit and chase scenes and peril ensues, culminating in the inevitable showdown with its twists and turns that you would expect of the thriller genre...while enjoyable and exciting, I was left wanting more. ★★☆☆☆ 2.5/5

Her: A different genre this month but one which kept me happily entertained. I thought the characters lacked depth with the back story not lending itself to any really meaningful information other than how the parents ended up with 'super powers' although not explaining the 'Firestarters' power. Saying that, I enjoyed the performances of Zac Efron and Ryan Keira Armstrong. I felt that the film needed to be that little bit longer as with half an hour remaining I was struggling to see how they could possibly explain and conclude the series of events to a satisfactory ending and for me, this stayed a struggle and I was left in that horrible position of asking 'Well what happened next then?!' ★★★★★ 3/5

Caythorpe Primary School

Comic Relief 2022

Caythorpe Primary School banked monies raised for Comic Relief

to the value of £172.75. The school Council chose to raise money for the appeal as it's a charity they see the benefits from via the BBC's televised coverage.

The school council also liked that Comic Relief support charities in this country and around the world. Thank you to all who kindly also donated cakes, biscuits and muffins for the cake sale, your continued support and generosity is greatly appreciated.

Budding Rock Stars Perform to the School - Rock Steady Performance

The whole school and parents of our Rock Steady band members were treated to a performance on Monday 28th March.

Layla, one half of "Two Brown Lions," drummed to "Human" by Rag 'n' Bone Man. Bandmaster Ben stated she's so steady you could set your watch to her beat! George H and Edward performed Dance Monkey, to which the whole audience joined in to sing along to. Finally, Harvey, Jack, Albert and Colette performed Dua Lipa's "Break my Heart," with a swipe of the keyboard notes from Harvey.

Year 3 and 4 Tennis

Mrs Bennett accompanied the Year 3 and 4 tennis team to the tennis tournament hosted by Church Lane Primary at Sleaford. Tom, Alex, Jessica and Poppy had to play 3 matches each against players from the other schools. The team also played against Chestnut Street Primary school.

Eco-Schools

The school council have plans to continue work towards achieving the Eco-Schools Green Flag award. Prior to lockdown the Eco-schools

committee, a team of pupils and parents achieved the Bronze award by completing an action plan. Now it's time to put our plans into action!

The first action is based on the theme of Biodiversity. The school council would like to develop the pond area. We are asking for any willing pupils, parent, carer and community volunteers to join the Eco-Team in rejuvenating the pond area in the summer term. Please contact Mrs Madge at the school reception for further details.

FSA Film Night

To mark the annual Oscars in Hollywood, we held our Spring film night. **Neverland** and **Enchanted Forest** chose to watch Shark Tale.

Narnia's film of choice was Sing 2. Athena said it was better than Sing 1! **Hogwarts** had a choice of Karate Kid or Yes Day.

The children were treated to a snack of hot dogs and juice for the interval. Thank you to the FSA for organising the event, especially the refreshments.

British Science Week - 14th -18th March

Last week, all the children took part in British Science Week. Each of the classes completed their own scientific enquiries.

Hogwarts were finding out how shadows change throughout the day. **Narnia** investigated if food could be magnetic. Branflakes are magnetic! Try it out next time you have your cereal. **Neverland** wanted to find out if wax crayons were waterproof. **Enchanted Forest** were predicting which drinks were the fizziest! I think Mrs Elmes is making a fast getaway from the fizzing!

The children had to employ a wide range of scientific skills and developed their curiosity for finding out new things.

The children also had the opportunity to listen to scientists from a wide range of backgrounds and join in with live lessons taking place across the country.

World Maths Day

This year we celebrated World Maths Day on Wednesday 23rd March! Each class took part in an active maths session with Miss Faulkner, combining physical activity with challenges to develop their mathematical skills.

Physical activity has a wide range of physical and emotional benefits, increasing concentration and educational performance and learning, to boosting mood.

What is the most important is the children said that they loved these sessions and we can't wait to include lots of active maths within our lessons!

Hello to All,

How the months are flying by so quickly. This dry weather is not good for the farmers but means we can spend most of our time outside. We got our potatoes planted just in time!

Talking about farmers we had a visit from Dan the Farm Manager from Wards Farms who very kindly brought his tractor to the setting. Dan talked about what they are growing on the farm at the moment, showed the children the different seeds and how they are transformed into things like bread, oil and beer!

The children then had the opportunity to climb into the tractor cab. They couldn't believe how big the tyres were on the tractor!

Now to the skies and the Air Ambulance! Unfortunately no actual helicopter but a visit from James, one of the pilots. He told the children he is one of 10 pilots who fly the Ambucopter and there are around 70 Paramedics/Doctors who do this fantastic job. James talked about flying in the dark, the equipment they use and why we need the Ambucopter sometimes because the road ambulances can't be used. They said they would wave to James when he next flies over Caythorpe.

A big thank you to both Dan and James for taking time out of their busy lives to share their experiences with our Pre-School Children.

By the time this issue is received the Jubilee Celebrations will be done and dusted however we will be having a party at Pre-School for the children and no doubt we will see them along with their families during the Village events. However you choose to participate, we hope you all have a good time. Fingers crossed the sun shines for the weekend!

Kind regards, **Caythorpe Pre-School Staff**

Platinum Jubilee Commemorative Mugs

There are plenty of free Jubilee Presentation Royal mugs available at the time of writing (16/5/22) for children of Primary School age and under living in the village.

Children attending the Primary School/Pre-School will be given a mug automatically. Please let Andy Roberts know if you have an eligible child (01400 273320) not after 7:30pm.

Some mugs have been requested for purchase and are available. I suspect we may still have some mugs over. If this is the case then a decision taken nearer the time will be taken to widen the eligibility for a free mug to secondary school students. If any secondary student would like a free mug I will start a fresh list.

The mugs have been paid for by sponsorship and grant money and do not come out of the Parish rates.

Andy Roberts

The Queen's Platinum Jubilee

This month we celebrate the Platinum Jubilee of Queen Elizabeth II, a feat matched by only three other recorded Monarchs before her, the record longest reign being Louis XIV of France (Died 1715) of some 72 Years, 110 days, although taking the throne aged just 4 certainly helped his longevity of reign!

Queen Elizabeth II is the longest running British Monarch by quite some distance though, currently almost 7 years in front of Queen Victoria, our previous longest reigning Monarch. This obviously makes Queen Elizabeth II the only British Monarch to celebrate a Platinum Jubilee.

Among her many titles, the ones she held prior to becoming queen were:

- † 21 April 1926 – 11 December 1936: *Her Royal Highness* Princess Elizabeth of York
- † 11 December 1936 – 20 November 1947: *Her Royal Highness* The Princess Elizabeth
- † 20 November 1947 – 6 February 1952: *Her Royal Highness* The Princess Elizabeth, Duchess of Edinburgh
- † And of course, Since 6 February 1952: *Her Majesty* The Queen

Queen Elizabeth has had 4 children from her Marriage to Philip, Duke of Edinburgh in 1947, Her Heir, Charles - Prince of Wales (Born 1948), Anne - Princess Royal (Born 1950), Andrew – Duke Of York (Born 1960) and Edward – Earl of Wessex (born 1964).

This Jubilee marks the sixth Jubilee celebrated by Queen Elizabeth II, having celebrated her Silver in 1977, Ruby in 1992, Golden in 2002, Diamond in 2012 and Sapphire in 2017.

She is, of course, not only our Queen, but also the Monarch of Antigua and Barbuda, Australia, Bahamas, Belize, Canada, Grenada, Jamaica, New Zealand, Papua New Guinea, Saint Kitts and Nevis, Saint Lucia, Saint Vincent and the Grenadines, Solomon Islands and Tuvalu.

Her many titles include Duke of Normandy (Channel Islands), Lord of Mann (Isle of Mann) and somewhat strangely, Admiral of the Great Navy of the State of Nebraska! The latter being an honorary title as Nebraska not only does not have a Navy but is the only triple land locked state in the US meaning it's the furthest from any great body of water.

So, wherever you are over the four day Jubilee Weekend, be sure to celebrate and raise a toast to our longest serving Monarch, Elizabeth II, a lady who has seen a great many changes in her time, but has remained a great constant in this ever changing world.

The ladies of Caythorpe & District WI were fortunate to have two very interesting speakers this month. The first was our very own Daphne Page who looked lovely in her two-piece suit adorned with a beautiful brooch defying the fact she is in her early 90's. She is the most interesting of people to listen to, she is articulate and added humour to her account of life in Leadenham which we were privileged to be able to hear.

The second was our Lincolnshire South Federation advisor, Marilyn Hood who came along to tell us of her personal experience of late diagnosis of ADHD in her 33 year old daughter. The resolution being discussed at the Annual Meeting in Liverpool concerns the fact that ASD and ADHD are under identified, under diagnosed and under supported in women and girls compared with that of men and boys, a situation the WI would like to see being addressed.

Daphne began by telling us that her story came about when someone from Leadenham asked her to write down her memories which she did for her village magazine. She has lived there all her life from when her father, who was in the RAF got posted up here and they ended up living in LONG Leadenham as it was then known in 1928. Daphne was born in the RAF hospital which at that time was at Cranwell base and is the oldest living resident of Leadenham.

The railway station there was known for hosting the Royal train as it was the only local village to have a suitable siding. (*if anyone can tell me, I'd be interested to know (if it's correct that the Royal train used to stay overnight at Carlton Scroop in the area between the railway bridge on Newark Lane and the one on the main road to Grantham. Both bridges were guarded and the train could be seen from either end).

Daphne remembers waving to the King and Queen and seeing the Queen Mother in 1963 walking her dogs nearby. The station closed in 1965 but prior to that the Royal Mail and animals were brought on the train regularly. All the stations between London and Leadenham were guarded and the detectives there would go to Troops for their coffee breaks.

There were so many other interesting facts which enthralled me so much, I forgot to note it all down but did remember that Cromwell had sent men to destroy the church but they had caught the Plague and their bodies are in six unmarked graves with the headstones lying flat in the churchyard. Because of this the church remained intact and the ceiling by Augustus Putin is still there, so a visit to see that is on my to do list.

She worked as secretary at the newly opened William Robertson school and remained there for fifty years seeing its various transitions. I am sure that there will be a publication of her memories one day for us all to enjoy, I sincerely hope so.

Daphne was thanked for her talk and presented with a standard lavender for her garden.

We had our break for refreshments and Marilyn Hood then told us of her experience of getting her daughter diagnosed with ADHD. It gave us food for thought as we then voted on whether

we were For or Against the Resolution being taken further at the AGM in Liverpool on 10th June. I will be the delegate for this event and will be representing Caythorpe, Cranwell, Leasingham and Bassingham WI's and needed to know how each of them wishes me to vote.

A lavender was presented to Marilyn too along with the vote of thanks.

Our next meeting is on Thursday 9th June at Caythorpe Village Hall 2-4pm, please do all come along and celebrate with us our 69th birthday and our own celebration of the Queen's Platinum Jubilee.

We are being asked to dress as if going to a wedding or special occasion and to wear a hat if possible AND take our own china cup, saucer and a spoon! We will be having an Afternoon Tea and the speaker is to be Baroness Bolsover (Linda Jane Holmes) who will demonstrate the "Do's and Dont's" of afternoon tea etiquette and apparently Afternoon Tea will never be the same again!

The competition in June will be for any item of your choice beginning with the letter "I" and flower of the month donations will of course go the ACWW (Associated Country Women of the World). Sue Case

In & Around The Garden

As we move into summer, early flowering perennials follow on from daffodils and tulips. In my garden, small patches of acid yellow and orange Welsh poppies are blooming all through the borders where they seed themselves around. Dicentra are good too, in shades of pink and white with ferny foliage. Hardy Osteospermum are making a fine show; I grow both the white and pink forms. There are lots of early summer perennials, but unfortunately these plants don't get a lot of publicity. Most are not as large or striking as those of high summer, and early garden shows and garden centres seem to prefer to display forced plants that would normally flower later. Amateur plant sales and nurseries that grow their own are the best source, or seeds if you have the patience.

The cherry-blossom season has come to an end, but other trees are in flower, including a spectacular tamarisk covered in small, fluffy, pink flowers. The little rockery is also very colourful at the moment with, amongst others, a pink alpine phlox, lime green euphorbia and a white daisy (Rhodanthemum) that flowers for months amongst the rocks. I am particularly pleased with a Lewisia, that is in its third year – I usually lose them after just one.

Osteospermum

Rockery

Rosemary Beetle

Welsh Poppies

In the hedgerows wildflowers are now abundant. Cow parsley is the most obvious, but on the protected verges around the High Dyke, there are large groups of cowslips in the grass. Hawthorn, also known as May blossom, is also in flower, so maybe it's time to 'cast a clout'.

Along with more flowers, there are more insects about. Butterflies and bees are the most conspicuous, but there are plenty of smaller ones that feed nestlings. We have great tits in one of the nest boxes, and robins and wrens are nesting somewhere nearby. I see the adults with food in their beaks, but I haven't looked for the nests for fear of disturbing them. The first fledgling blackbirds appeared earlier in May and are now independent. A somewhat confused great spotted woodpecker attacked our wood-effect PVC window frames, but gave up before causing any damage. It was nice to see one so close.

Less nice to see was a hornet on the inside of the same window. I managed to catch it in a little pot – very warily- and really appreciated just how big they are. I took it outside and let it go, and could see that it was lost by the way it flew round in a circle twice to get its bearings before heading off. Also seen recently were some rosemary beetles. These alien bugs appeared in 1994 and have since spread throughout Britain. They eat Mediterranean shrubs such as lavender, thyme and, of course, rosemary. They can cause considerable damage, but unlike the dreaded lily beetle, they do have predators here, so I'm not rushing out with the insecticide just yet. And they are very pretty. **JA**

Caythorpe & District Garden Society

The speaker for our May meeting was Peter Williams, whose subject was “ Propagation for Grown-Up Gardeners”. Peter was formerly principal biology lecturer at York St. John University, and is now an enthusiastic gardener and keen plant propagator.

Seed sowing is the most obvious way, as plants do this themselves, and it is the only way to propagate annuals. For unusual plants, specialised seed companies and seed exchanges are good sources. Peter took us through the process, pointing out some of the difficulties of getting seed to germinate and how to overcome them.

Plants that form clumps can be divided, either by digging them up and splitting the clump, or by removing offsets. Success rates are usually high. Taking cuttings is ‘a race between rooting and rotting’. Peter showed us how to improve success by appropriate preparation of the cutting material: not every one will root, but those that do will reach maturity much faster than from seed.

Peter also advocated grafting for specimens that are difficult to root as cuttings or grow poorly on their own roots. There are several different methods and some skill is required, but for expensive shrubs and trees, such as maples, magnolias etc., it is worth having a go – and very satisfying when it succeeds.

Our June meeting is for members only, but visitors will be most welcome (£5) to the July meeting on Tuesday 12th. Geoff Hodge will talk about gardening in drought conditions. Just come along to Carlton Scroop Village Hall, 7:30pm for 7:45pm.

Caythorpe Cricket News by Dave Cree

The 2022 Cricket Season got underway at the end of April with dry but cold weather for the first couple of weeks.

Junior Training started with good numbers, except for the Under 15 age group, and some Teams have already played competitive matches. The Seniors have made a bright start to the Season in Division One of the Lincoln and District League.

Off the Field the Annual General Meeting was held. Henry Lamb was elected Chairman, and the other Office Holders are Sophie Burkett (Secretary), Stuart Spratt (Treasurer) and Kathryn Betts (Welfare Officer). The Coach/Managers of each age group and the Senior Captain fill the other Committee positions.

Our Under 9's have played two games already, being narrowly defeated in the first by just two runs by Welton. In their second game they were victorious against Hartsholme Falcons, winning by four runs. Two very close matches saw good play by our young girls and boys, some playing in a match for the first time.

Under 13's started the Season with a defeat by Boston, who scored 96 runs for seven wickets. Caythorpe replied with 56 runs, all out.

The newly-promoted Seniors started their campaign with a win against Billingborough. On a cold dull day Caythorpe batted first and scored 105 runs, all out. Jack Butler and Joe Dickinson were our top scorers, each making 25. Very tight bowling and some good fielding then restricted Billingborough to just 64 runs, being all out in only 18 Overs. Theo Mussell took 3 wickets for 22 runs, Dan Pinfold 4 for 34, and Jamie Watson 2 for 2.

The next Sunday saw a high scoring game against Nocton, who batted first and amassed 278 runs for 6 wickets from their allotted 40 overs. In reply Caythorpe scored 209 runs for 7 wickets, but were always behind the required run-rate. Chris Wharmby scored 60 runs, Sandy Ireland scored 47 and Captain James King added a very rapid 58 (not out).

The first Away Game of the Season saw Caythorpe travel to Barkston, for our local "derby" match. Batting first Barkston were restricted to 116 runs, being all out in 39 Overs. Wickets were shared between Alex Dickinson, Dan Pinfold, Jack Butler and Joe Dickinson, backed up by hostile bowling by Theo Mussell who conceded only 15 runs from 10 Overs. In reply Caythorpe scored 119 runs for just 2 wickets, in 25 Overs. Joe Attewell top scored with 45 not out.

Back on Home territory the following week Caythorpe came away winners in a high scoring game against Morton. Morton (from near Gainsborough) won the toss and elected to bat. They scored 211 runs for the loss of 5 wickets from their 40 Overs. Theo was the pick of the bowlers, taking 2 for 27 from his 10 Overs. Not daunted by this high score to chase, Caythorpe's batsmen reached the target in just 30 Overs, losing only 3 wickets. Opener Sandy Ireland hit a powerful 76, but this was overshadowed by a commanding innings from Joe Attewell, who scored 101 not out, with three sixes and 13 fours. Joe won the match and reached his Century with a huge six.

The Seniors are currently in second place in the League Table, just behind Woodhall Spa.

Upcoming Matches at Caythorpe are:-

Sunday 29th May (10am)	Under 9's v. Market Rasen
Sunday 29th May (1pm)	Seniors v. Harsholme
Wednesday 8th June (6pm)	Under 11's v. Boston
Sunday 12th June (10am)	Under 9's v. Nettleham
Tuesday 14th June (6pm)	Under 13's v. Grantham
Wednesday 15th June (6pm)	Under 11's v. Grantham
Sunday 19th June (10am)	Under 10's v. Sleaford
Sunday 19th June (1pm)	Seniors v. Blankney
Sunday 26th June (1pm)	Seniors v. Woodhall Spa

Every Friday evening - Junior Training followed by BBQ
Come and support our Players, young and slightly older!

Caythorpe Playing Fields Committee

Now available to hire, The Hammond Pavilion

Bar and kitchen facilities available on request all set with the backdrop of our wonderful playing field with the added bonus of the play area for the children to let off steam!

Caythorpe & Frieston Parish Council

Portfolio Update from Cllr. Jonathan Betts

Speeding Assessment: Last year we borrowed the speed sign from Carlton Scroop & Normanton On Cliffe Parish Council to assess the extent of speeding throughout the village. We set up the speed sign in 8 different locations around the village. We saw an average of 10% of vehicles speeding, yet there were some significant variances between each location (See summary below). It was agreed at our Parish Council Meeting in July 2021 that given the low level of speeding throughout the village that we would not pursue other traffic calming measures such as speed bumps or reduced speed limits.

Speed Sign Location	Date	Max Speed	Average Speed	% Speeding	
Waterloo Road	28th Mar - 6th April	38	38	2.3%	
Gorse Hill / Kings Hill	6th April - 17th April	52	52	4.2%	
Gorse Hill - Abolments	17th April - 20th April	71	29	11.4%	
Back Lane	20th April - 25th April	38	23	3.9%	
Church Lane (Entering Village)	25th April - 1st May	53	32	27%	
Church Lane (Leaving Village)	1st May - 3rd May	47	29	19%	
A607 Southbound	3rd May - 6th May	70	42	7%	
High Street	6th May - 12th May	43	25	8.3%	
TOTAL AVERAGE			38.5	23.7%	10%

Highways: Potholes have been one of the main topics of discussion in respect of highway matters in our Parish. In April 2021 the Parish Council and Cllr. Alexander Maughan petitioned Lincolnshire Highways to address the dire state of Gorse Hill Lane where patch repairs had been completed the previous year yet had subsequently failed. In July 2021 the scheme to replace the lower section of Gorse Hill Lane was agreed and the replacement of the lower section of the road took place in August over a two week period. Other roads around the village are still in need of repair as large potholes have not been addressed yet have been logged on www.fixmystreet.com, notably the High Street and Frieston Heath Lane.

We have now escalated this to our Highways Officer and Cllr. Maughan and have requested dates for when these stretches of road will be repaired. The good news is that by the time you are reading this the repairs to Frieston Heath Lane should be completed as the highways department are due to address the potholes before the end of April. Once again if you do see potholes when out and about in the village please take a photo of them and upload them to www.fixmystreet.com. It takes 5 minutes and unless the council are made aware of specific issues they will not address them.

Facebook: We have continued to post all important notices and planning applications on our Facebook Page to reach as many Parishioners as possible. Our Facebook page now has over 350 followers, up from less than 10 in 2020. Facebook Messenger continues to be a popular way for Parishioners to contact us about any topics they wish to raise.

HEAT PUMPS

Local Approved Installer

- Replace your old gas or oil boiler with an air source heat pump.
- Gas or oil boilers only 97% efficient Heat Pumps 500% efficient
 - No running out of oil, cheaper to run.
- Dramatically reduce your Co2 emissions.
 - Provides all heating and hot water
 - Up to 7 year warrantee

Lincolnshire Will Company

Not from the Rectory

The Rector is reminded of Crimplene and brings home a 'Fat Rascal'

As well as offering a direct service from London via Grantham to Lincoln, LNER also offer a direct service to Harrogate and on a bright day in March the opportunity was there for the taking: the Azuma train switches from electric power to diesel at Leeds for the onward journey of some 39 miles to Harrogate.

The journey includes both the Bramhope Tunnel of two miles and the impressive Crimble Valley Viaduct – a Grade II listed structure of 1,872 feet in length and 31 arches. Some of us will remember how Terylene was modified in 1959 to become Crimplene: ICI bought the patent and as their HQ was in the Crimble Valley the fabric acquired its name. It was popular in the 1960's providing A line dresses for the ladies and button-down shirts for the men.

Like bees to the honey-pot, the visitor to Harrogate is drawn across town to the celebrated tea shop that is Bettys for morning coffee and 'something on the side' – a Yorkshire curd tart and a fondant fancy in our case!

Time to head via the Valley Gardens into the 'most luxurious and elegant' part of Harrogate to seek out the Church of St Wilfrid – a Grade 1 listed church by Temple Moore and consecrated in 1914.

Temple Moore (1856-1920) was one of Victorian England's greatest Church architects, building more than 40 churches, which today are considered masterpieces of late Gothic Revival. St Wilfrid's was designed and built to be an Anglo-Catholic place of worship with its architecture inspired by the ancient monasteries with cloisters, 'night stairs' to the organ loft and a Lady Chapel to the east of the High Altar as in many a cathedral. St Wilfrid's – along with the adjacent Harrogate Ladies' College – was built on land belonging to the Duchy of Lancaster and the entrance is indeed on Duchy Road with the scene at Calvary by the main door while inside the eye is drawn to the soaring roof space and the baptistery at the west end.

St Wilfrid's is described as one of Harrogate's hidden treasures but is only a short walk from the Valley Gardens through which we wandered back into the centre of town for lunch – at Bettys of course – bringing home one of their delightful 'Fat Rascal' plump and fruity scones to enjoy later: Father David Hope in his diary of Parish Life at St Margaret's Ilkley refers to Bettys as Yorkshire's upper-crust tea shop and delights in the daily arrival on his doorstep

from Bettys' Ilkley branch – thanks to grateful parishioners – of Fat Rascals and their trade mark ginger cake (David Hope: Better to Travel Hopefully).

Trains arrived in Harrogate in 1862 making its famous health-giving waters more widely available to the general public. The benefits of the town's sulphur spring water had been noted as far back as 1626 but it was not until 1841-42 that the Royal Pump Room we see was built – though one tasting of the waters several years ago was quite enough for me! I will stick with the bottled Harrogate Water served up on the return LNER service – an excellent day out to what is rightly known as 'God's own county'!

Had we the opportunity this year to be anywhere near the Severn Valley Railway we would have wanted to pay due respect to her Majesty Queen Elizabeth 11 in this her Platinum Jubilee year and travel on a train hauled by the repainted and re-named SR West Country 'Taw Valley' steam locomotive. The locomotive has been repainted in what is described as a 'head-turning purple livery' to mark the Platinum Jubilee year and has been re-named by the public 'Elizabeth II' and in a further recognition of this historic milestone – the commemoration of the longest reign in the history of the British Monarchy – has been renumbered '70'

The limited edition of 2,500 models of 'Elizabeth 11' by Hornby has I understand already sold out!

***O Lord, the Way, the Truth, and the Life,
we give you thanks for your servant Elizabeth our Queen.
May she ever be provided with all she may need
for her ministry among us,
strengthened to meet every demand
which her office may make,
and in all things nourished by your word and example,
who with the Father and the Holy Spirit live and reign,
world without end. Amen***

Obituaries

BUTCH MARSHALL

It is with great sadness, I have to announce the death of Butch Marshall on the 21st April at Nottingham City Hospital. His wife, Rachel, particularly mentioned the kindness of staff there who even allowed him to keep his beloved dog with him during his final illness. Typical of his philosophy, his body is being donated to science, so there will be no funeral as such, just a family remembrance of his life, and a wake.

Butch, with Rachel, ran the Tack Room Café in Fulbeck for a number of years, producing wonderful food, and was particularly famed for the legendary all day breakfasts, and healthy options, too, all accompanied by 1940's music in front of a cosy fire! Many from Fulbeck and beyond will remember him for his kindness, support and generosity, both personal and towards village activities. He was much loved, and will be very sorely missed by many hereabouts.

Anne Watler - Fulbeck

PETER ATLEY

Farewell to a Friend by Archdeacon Brian Lucas

A valued friend and a notable Caythorpe resident died suddenly on Monday, 16th May. Peter Atley lived with his wife, Sally, in their historic house in the High Street. We were both in Oxford at the same time in the 1960's: he studied Mathematics (I think) at Wadham College while I studied Theology at St Stephen's House, but our paths never met. I came to know Peter soon after I became Rector of Caythorpe in 1996.

The bell chamber in St Vincent's Church was declared unsafe due to the rotting woodwork in the structural beams, and the eight bells were silenced while we tried to raise over £18,000 for the remedial work. When Peter learned of this, he rang me and told me how much he liked to hear the bells ringing out over the village and gave a very substantial sum anonymously which enabled the work to begin immediately. The time has come to remove the anonymity.

Peter Atley had a wide circle of friends all over Lincolnshire and beyond. Whenever I called on him the conversation would range widely and often include argument and strong debate about the issues of the day, but the repartee was incisive, witty and scintillating. Peter detested hypocrisy and cant: his word was his bond. He had a keen sense of humour fed by his keen sense of the incongruous. He was generous, clear-thinking, honest and totally without malice.

Requiescat in Pace, Peter, dear friend.

There is Holy Communion at 10.00 on Wednesdays as follows

8th June at Caythorpe

15th June at Barkston

Friday 3 June - Thanksgiving service televised in Church. There will be drinks and Cake from 10.30am to 11.30am (as well as after the service if required). The service starts at 11.30am

For those unable to return to church because they are shielding or in some way vulnerable please follow the Sunday Eucharist available via the website of Lincoln Cathedral or look at what is on offer on BBC TV and BBC Radio 4.

News & Views Shout-Out

Laura & Pete

It was good to see a timetable for the Stage Coach Lincoln to Grantham No. 1 service, however, in case you are not aware:

1. The timetable changed on Sunday 1st May and is temporary
2. There are no hard copy timetables available
3. The timetables at the bus stops are incorrect
4. The service is under review

It is possible to find out when buses are due by:

1. Using the Stagecoach App
2. <https://lincsbus.info>
3. Telephoning 0345 456 4474

Best Wishes, Susanne

Hi Laura and Pete,

Stagecoach have issued a new timetable for their No1 Bus Service valid from 1st May. Also a day rider £5 ticket for 19 years old and under, valid at any time for unlimited travel.
