July 2022

News Views Editorial

Oh my goodness, have we got a treat for you this month...56 pages worth of loveliness, that's got to be at least two cups of tea and a piece of cake...and maybe even a few biscuits (I didn't say that)!!

What a fabulous month we've had since we wrote June's Editorial, we hope you enjoyed our Jubilee Edition. We've had some lovely comments from people about the edition and how much they enjoyed it, thank you to those of you who took the time to comment, it really does make all of our effort feel valued.

Here in Caythorpe we certainly had a action packed 4 day event to celebrate Her Majesty's 70 years on the throne. We've dedicated 4 whole pages to document the events which took place in the village, thanks go to Debbie Knowles and Gordon Grant for allowing us to use their images.

Looking forward, we've got an update from the new Caythorpe & Frieston Village Hall Committee, actually we have nearly 3 pages of updates including an invite for free cake, (you're being spoilt this month), a design competition, exciting Beaver, Cub and Scouting news, and info about the return of the ever popular Village Breakfast.

The WI looked like they had a quintessentially English High Tea (I think I have that right!) at last months meeting, they looked very elegant in all their finery!

We've also got within the magazine advertorials from some of our new advertisers to let you know who they are and what they are all about. We very often see posts on Facebook asking for various trades persons and here at News & Views we have a fantastic range of trades and skills advertised, do take the time to read them, you never know when you might need them.

I'd also like to draw your attention this month to 'Not from the Rectory' Stuart hasn't been on a train this month...well, he may have done but that's not what he is sharing. The organ in St Vincent's needs repairs and he is asking for your help.

We've also got Gala news, do join the Caythorpe Gala Facebook page to see all of the latest updates and additions to the line up, the date for your diaries this year is the 3rd September, the Gala kicks off at 12pm just in time for you to get a burger or hot dog for your lunch!

So with all of these bits of News and Views to keep you occupied, I'd best let you get on to settling down, I hope you have sunshine by the time this edition is delivered, as, out of my window it's all very rainy...at least it's cooler than yesterday's 35° heat!

Have a great July..we'll be back at the start of the Summer Holidays when SCHOOLS OUT!!

Laura & Pete

St Vincent's Church Prayer Group

Prayer is at the centre of all that we do at St Vincent's. We believe that all we accomplish comes about not because of us but because of God.

Prayer transforms us; it enables us to become more the people God created us to be, and so draws us to share in God's creative and compassionate work in the world.

We believe that we are called to be persistent in prayer, both for ourselves, those in need, our community and the world.

The church is open every day if you would like to find a quiet space and a time to pray or you are most welcome to join us in Church on Monday's the 11th and 25th July at 2pm.

Specific prayer requests can be left in the box by the votive candle stand – you may like to light a candle as a focus for the prayer you offer. You can also send your prayers to loveden.deanery@lincoln.anglican.org marking them St Vincent's Prayer Group

Exciting new session on **FRIDAYS!!!**

Learning Through Play (0 – 5 years)

This drop in session provides a variety of activities for children to explore supporting children's changing needs and interests. The session offers an opportunity for parents, carers and children, to discover and explore a wide range of play activities together, encouraging children's independence, confidence and social skills.

Lincolnshire

SUDBROOK DISTRIBUTION TEAM REQUIRED!

We are now looking for a Distribution Team for Sudbrook.

We estimate it would take around 45 to 60 minutes a month to distribute around the village of Sudbrook, so a team of three could do this in just a short 20 minutes walk each, put your fitbit on and get some extra steps in while you are at it!
(We clock up around 4000 steps doing Normanton between two of us)

If you are interested in helping out, please drop us a line at our usual email, editorsnewsandviews@gmail.com or call Pete on 07375 701572 to have a chat!

Caythorpe & District Garden Society Annual Show

Caythorpe Village Hall on Saturday 20th August 2022

As usual there will be a variety of classes, including vegetables, fruit, flowers, cookery and handicrafts. There will also be a raffle with cash prizes, a plant and produce sale, and cream teas in the garden. The show is open to everyone in the district, not just Garden Society members and Caythorpe residents.

Schedules for the show are now ready and may be collected from the Spar shop in Caythorpe. The schedule and entry form can also be found on the website of the *Caythorpe and District Garden Society* for downloading and printing.

Show timetable:

- Entries between 8.30 am and 10.15 am
- All Exhibitors Out 10:15 am
- Judging: 11:15 am
- Show opens: 2:00 pm
- Prize Giving: 3:45 pm
- Raffle Draw: 4:00 pm

Exhibit Entry Fee: 30p per entry
Entrance to Show by Donation at Door

Be a Friend to your Village Hall

My partner and I moved into the village five years ago. Like so many others who have commented on Facebook, we were struck by the great community spirit. This is evident by the strong attendance at many of the village events such as the gala, walking groups, school café, Christmas lunch, to name just a few. It was so heartening to see as the village we moved from, over the past ten years, had gradually lost the surgery, shop, school and pub. It's not until you lose these facilities do you realise how vital they are for keeping the community together and socially healthy.

Our Village Hall here in Caythorpe is in danger and we need your help. It is simple a case of use it or lose it.

We are the Village Hall Committee. The Village Hall belongs to you. We are just here to support the community to use it.

Your New Village Hall Committee L-R: Megan, Laura, Richard, Jan, Hilary, Robert, Antonia, Janet, Paul, Sam. Also, but not pictured: Benita & Becky

Would you like something for free? That's a silly question, of course you would. We are putting on a free event.

**On Sunday 10th July we are
inviting you for Tea,
Coffee and Cake 10am - 12pm**

This is an informal event. Pop in and meet us. Stay for 5 minutes or longer. We want to be able to meet your needs but we cannot make decisions

without knowing what you want from the Village Hall. If you can't attend but want to make a comment or have a suggestion, please drop us an email at richardcvhall@gmail.com even if it's just to give us a thumbs up.

We need your help to use it before we lose it.

Dear All,

We hope you are all well and enjoyed your extended Jubilee weekend. There must have been some very tired children on Sunday who seemed to have run around all day and were still dancing to the bands on Saturday night.

The children celebrated with a party, making crowns and tiaras and their own queens!

A big thank you to the Parish Council in particular to Andy Roberts and Neil Fritzsche who arranged for the children at Pre-School to receive commemorative Jubilee mugs.

The children really enjoyed having the opportunity to decorate the Village Jubilee Banner using their painted handprints. Thanks to Marcella Bartholemew who organised this and completed the display.

As I write this we have just taken part in the Sports day at school with a Pre-School and toddler race. It was great to be involved with "big school" again as we prepare our Pre-School children for their transition to Primary Education which as usual comes around so quickly!

We have been making the most of the nice weather, checking to see how much our potatoes have grown! They are now getting flowers on them but are not quite ready for picking yet.

Lots of water play, construction, den building and learning to ride a bike.

All in all another busy half term!

It seems a while off just now but if you are thinking of putting your child into an Early Years setting from September please don't hesitate to give us a call or pop in to have a look around our lovely setting. You will be made very welcome.

Enjoy the summer! Best Wishes from the Pre-School Staff

Sports Day 2022

What a fantastic weather we had for sports day!
Our sports day format is designed so more children can be more active more of the time. All the children competed against their year groups in running, throwing and jumping events. We also welcomed the Pre-school who participated in the running races.

Traditional race included beanbag race, egg and spoon and sack races.

Thank you to all who were able to attend. We are developing a quick survey to obtain your feedback on the event.

Hogwarts start their topic with a Big Bang

Hogwarts topic for the term is "How can we beat climate change. To start the topic the children have been taking part in the project 'Beat the Flood'. Their challenge was to build a strong, waterproof home that would be able to withstand torrential rain and a flood. The children co-operated brilliantly in their teams and gave clear explanations for the purpose of each element of their houses. We then tested the children's designs using a simulated flood.

How does your garden grow?

Narnia and Enchanted Forest's topic for the term is "How could we improve our school garden?" They certainly started it off with a big bang by spending some time outside clearing overgrown areas with help from volunteers Pete and Margaret in preparation for planting seedlings into the existing beds. The children also found we had sweet pea flowers growing and created a tripod cane structure for them to grow up. They found potato plants, planted cabbage, beans, replanted some strawberry plants and Miss Cook thinks we've won the unknown competition of nurturing the tallest weed ever! (Over 120cm)

The children also developed skills of observation by sketching plants and flowers. The children planted their own poppy seeds which they will track the growth of over the next term.

Emotions and Friendship Workshop

On Wednesday, Year 2 were lucky to have a workshop delivered by Neil from the Safer Lincolnshire team. They learnt all about emotions and different times when we feel different things. They discussed how it is ok to feel these emotions but the important part is how we choose to then deal with them. They were shown some different breathing techniques, which they could use when they may feel angered in the future as well as sharing some other things they do when they want to relax.

Celebration Day!

Caythorpe certainly celebrated the momentous occasion of the Queen's Platinum Jubilee in style. We started the day with the FSA Coffee Morning. Thank you everyone who supported, it was wonderful for the children who entered the create a crown competition. Everyone was so impressed with the amount and quality of the entries. The children paraded to the Queen's Coronation fanfare.

The children ate their coronation cupcakes at brektime. During the day they took part in lots of fun activities. Blow painting, serving tea to the Queen, making sun catchers, tissue paper collage of Union Jacks, flag making to name but a few.

Finally, we had our Celebration assembly to award the competition winners.

Shannon and Lyra were the winners of the stamp competition, Jack B, Jack H, Martha, Abby, Edward, Isabella, Troy, Athena, Isabelle, Anais, Ayla, Albert James, Albert and Jaxon all received a prize for their amazingly creative crown entries.

From
£895*
for a fully
fitted electric
garage door.

WAS £1,354 INCLUDING VAT.

Gotta get a Garolla.

Garolla garage doors are expertly made to measure in our own UK factories, they're strong and solidly built. The electric Garolla door rolls up vertically, taking up only 8 inches inside your garage, maximising valuable space. Our expert local installers will fit your new door and they'll take away the old one too, so there's no mess.

Give us a call today and we'll come and measure up **FREE** of charge.

Offer Valid for openings up to 2.4m wide & including 2 remote controls, 55mm white slats, internal manual override.

The Old School Nursery, at Honington, is now under new ownership and management with Mel Hart, who brings more than 20 years of childcare expertise with her. Mel gained her first nursery - Albion House in Grantham - in 2005. She proceeded to achieve a BA in Early Childhood and became an Early Years Professional (teacher). Albion House Nursery has now been awarded as one of the Top 20 Most Recommended East Midlands nurseries for the fifth year running.

Mel has now taken over the Old School nursery, and promises to bring the same nurturing, secure and educational care parents know and love from Albion House.

Full day or sessions are available, with drop-offs from 8am onwards and pick-ups up to 5.45pm to be accommodating for working parents.

Both nurseries are among the only nurseries in the East Midlands to be Hygge accredited. Hygge is the Danish way of living, an experience or atmosphere which aims to bring a feeling of warmth, safety, shelter and comfort to the environment. She explains: "We do mindful activities every day, where the children practice yoga and talk about their emotions and how they are feeling and learn how they can care for each other and themselves. It helps to create a calm, warm atmosphere for everyone."

Mindfulness and caring is at the heart of Mel's approach to both nurseries, which come under the umbrella company Little Harts Childcare. There are no plastic toys, and the use of natural open-ended resources is paramount to the children learning through their imagination and interests, which has proved excellent outcomes in the children's abilities. Children are outdoors in all weathers, exploring, planting and eating their own vegetables grown in the nursery garden in their daily meals, which are cooked fresh on-site every day by the nursery's chef. All staff are Early Years qualified and first aid trained, with three also gaining their BA in Early years, so you can be sure that your child is being cared for in a safe and loving environment. Children are accepted from six months of age up to five years old.

To find out more about Old School House Nursery, please call 01400 250358 or email theoldschoolnurseryhonington@gmail.com

2022 Commonwealth Games

This month sees the start of The Birmingham 2022 Commonwealth Games, based across the West Midlands with Birmingham at its heart. The venues being used for the Games stretch from Coventry, Solihull, and Royal Leamington Spa to Cannock Chase Forest, Royal Sutton Coldfield, and

Wolverhampton.

The official mascot for the Games is Perry the bull who was created from the design of a ten year old girl. Perry has so far visited more than 120 schools in the West Midlands region, taking part in fun and active assemblies to entertain school pupils and increase awareness of the Games amongst young

people. The Games run from 28th July until the 8th August.

Much like the Olympic Torch run, the Commonwealth Games has its own version, a 'Queen's Baton Relay'. The route of the Queen's baton relay takes in all Commonwealth countries and territories during a 294 day schedule. The Relay began on 7th October 2021, with Her Majesty The Queen placing her message to the

Commonwealth into the Baton. The Baton is now on its 294 day long journey to every corner of the Commonwealth, completing its journey at the opening ceremony. Paralympic gold medallist Kadeena Cox OBE received the baton from Queen Elizabeth to become this games first baton runner. Apart from the platinum the baton has purposely been made from non-precious metals and alloys (copper, aluminium and brass) to represent the gold, silver and bronze medals awarded at the games. It includes a camera, a heart-rate monitor, an atmospheric sensor and lights that change each time the baton is passed from person to person! Beat that Olympic Torch!

If you want to catch a view, the Baton passes through our locality in Lincoln on 10th July and Grantham on 11th July.

The Lincoln Route will take in some key locations such as International Bomber Command Centre (IBCC), the LNER Stadium, Stonebow, High Street, Steep Hill, and Cathedral, approximate timings will be between 17:00 and 18:15.

The Grantham route on Monday July 11th, is the last day of the baton route through the East Midlands. Grantham will officially welcome the baton at around 10.15am at Wyndham

Park Visitor Centre and will then travel through the town's historic quarter.

Starting along Redcross Street and turning left along the length of Castlegate past the King's School where Sir Isaac Newton was educated, St Wulfram's Church and the National School. It then turns left again onto Avenue Road, to its junction with the Riverside Walk, following the River Witham back to Wyndham Park. Road closures will be in place along the route.

Birmingham Commonwealth Games Quick Facts

1. 72 nations and territories are planning to send teams to the Birmingham 2022 Commonwealth Games.

2. Around 6,500 athletes and team officials will be coming to Birmingham for the Games.

3. There are 19 sports and eight Para sports that will feature making it the biggest sports programme ever for a Commonwealth Games.

4. Women's cricket will be included for the first time, and it is the first time that T20 cricket has ever been included in the Commonwealth Games.

5. Across the 11 days of sport there will be 286 different sessions of sport.

6. There will be two super Sundays at Birmingham 2022 and the second super Sunday is a huge day for women's team sport featuring the women's cricket T20 final, the netball final and the women's hockey final.

7. Three students from the School of Jewellery have designed the medals, ribbons and boxes that will be awarded to athletes at the Games and the medals are being made in Birmingham's Jewellery Quarter.

8. Across the 11 days of sport there will be 286 different sessions of sport.

9. Around 14,000 volunteers will be helping to make sure that the Games runs smoothly – more than 41,000 people applied to be a volunteer, the volunteers are known as the Commonwealth Collective.

10. The Opening Ceremony for the Games will take place on 28 July in the Alexander Stadium with a live audience of around 30,000 people and is expected to have a TV audience of around one billion!

11. With 2022 acres of new forest being planted, this will be the first 'carbon neutral' games!

12. More than one million tickets have already been sold for the Games. The remaining tickets are available now, what are you waiting for!

Synopsis: After more than thirty years of service as one of the Navy's top aviators, Pete "Maverick" Mitchell (Tom Cruise) is where he belongs, pushing the envelope as a courageous test pilot and dodging the advancement in rank that would ground him. When he finds himself training a detachment of Top Gun graduates for a specialized mission the likes of which no living pilot has ever seen, Maverick encounters Lt. Bradley Bradshaw (Miles Teller), call sign: "Rooster," the son of Maverick's late friend and Radar Intercept Officer Lt. Nick Bradshaw, aka "Goose."

Her: Well, what a film!! This has to be the film of the year! Top Gun Maverick was due to be released during 2020, it's one of those highly anticipated films that had no option but to be amazing and with so much to live up to it certainly did not disappoint. With Tom Cruise reprising his iconic role as Maverick, the storyline was very much history repeating itself but with a modern day twist and in full knowledge that time had moved on. The iconic soundtrack from Top Gun was present from the start with a number scenes mirroring the original movie, plus, I noted a few throwback lines that we all know and love that were first heard back in 1986.

We've never met Penny before but we know from Top Gun that 'Mav went ballistic with Penny Benjamin'! Played by Jennifer Connelly in Top Gun Maverick, Penny is an interesting addition to the line up and we are given a view of how Pete Mitchell's life will carry on. Looking at it objectively, I think the inclusion of Kelly McGillis would have placed the film at a supersonic 10/5.

We didn't get to know the Top Gun Pilots very well, however, the film served to allow Maverick and Rooster, the son of Maverick's original wingman, Goose, to make their peace with each other as the story of their last 35 years unravels over the course of the 2 hours.

I'd be doing a dis-service if I didn't mention the flying scenes which were out of this world. Tom Cruise is well known for doing his own stunts and, from what I've read, wanted to make

Top Gun Maverick using camera's which captured the actors from all angles, to show the realistic force exerted on their faces during their flights.

There were a few laugh out loud moments which were awarded due to familiarity with Maverick and the perfect amount of cheese!

I loved this film, genuinely, I can't fault it, I went into the cinema with very high expectations in the hope that I'd be that engaged enough that I'd not try to sleep....it's fair to say that they were exceeded and then some, nothing more to say than... brilliant! Infact, I've already been to see it twice...When can I go again??

★★★★★★ 6/5

If you want a film packed with machismo, action, storyline, thrills, laughs, nostalgia and just the right amount of cheese, you have come to the right place! Sit down, strap yourself in and hang on for the ride, you will be feeling the G-Force in no time at all!

If you are a massive fan of the original, then here you are with a genuine surprise, the rarest of beasts, a sequel that outdoes the original. I can hear the purists bellowing that can't be true, but it is, this storyline has way more depth, this is more than just a Buddy Bromance movie, there is a real redemption arc and Miles Teller as 'Rooster' almost steals the show with his acting, getting the mannerisms of 'Goose' (his father) to an absolute tee.

The flight effects are fantastic, really giving you a feel for what the pilots see and feel in the dog fights, with some real attention to detail, as an action movie you really get the sense that a lot of technical thought has gone into the action and it really looks, and more importantly, feels, real.

The nostalgia is heaped on with a heavy ladle, from the soundtrack and many nods to the original including even the aircraft themselves. There is plenty of fan pleasing going on which adds to the charm and draws you in whether you want it to or not.

This is a roller coaster of a ride, one which really shouldn't be missed, a blockbuster that deserves to be seen as intended, in it's full glory on a massive cinema screen. Go on, treat yourself, you wont be disappointed!

IntegrativeCare
SUPPORTED LIVING

Inspected and rated

Good

24 hour round the clock live in care offers an alternative to residential care and empowers you to choose the right amount of support – how and when you need it – so you can lead an enriching and fulfilling life.

Our supported living is based on positive outcomes and expertise of developing environments that focus on promoting and encouraging the people we support's independence and functioning.

The type of care you receive is controlled by you and with our staff, you will develop a personalised support plan based on your interests, priorities and abilities, from help with personal care needs to leisure activities our highly trained staff will be with you every step of the way.

T: 01604 210694

M: 07598258059

E: p.regan@integrativecaresl.co.uk

<https://integrativecaresl.co.uk/>

Integrative Care works in partnership with Care Home Selection (CHS), NHS, Adult Social Care and private individuals with local Authorities across the UK, offering high quality personalised care. Bringing health and social care together.

Hospital discharge, reducing delays to hospital discharge by providing high-quality support for families who need to make care choices. Our service is established to reduce delays and optimally manage home based pathway of discharge to assess. Our care calls vary from one call a day to four calls and 24-hour care packages depending on each individual care needs.

We strongly believe that Integrative Care should lead the way in setting standards of customer care and satisfaction. The quality of care and support we provide to the people in our services is always our priority. We are proud of our commitment to quality and as a leading provider in the sector, we are consistently looking for ways in which we can improve and enable the people we support to live the lives they want; lives which are fulfilling, meaningful and happy. Our aim is to enable the people we support to achieved their goals, believing passionately that regardless of the challenges they face, everyone can accomplish extraordinary achievements with the right care in the right environment.

Integrative Care Supported Living works in partnership with social services, Supporting People within leading local authorities across Lincolnshire, Rutland & Northamptonshire and surrounding areas.

The directors, who are qualified mental health nurses, have extensive experience in hospital and community settings and the dedicated team are committed to always going that extra mile to meet every individual clients' needs.

Another busy month for the ladies of the WI what with the Platinum Jubilee, Lincolnshire Show and our own birthday/Jubilee Tea Party. Whilst there are some of our members who are cake makers and often get called upon to donate cakes to whatever forthcoming event requires them, it is not what membership is all about. For example, we get involved in national and local campaigns to help raise awareness of the symptoms and signs of Ovarian Cancer, we have our own Climate Change Ambassador, we are involved in making people aware of what Modern Slavery looks like and our most recent campaign, launched

on 11th June, is to call on the Government to fund research into improving the diagnosis process of Women and Girls with Autistic Spectrum Disorder (ASD) and Attention Deficit Hyperactivity Disorder (ADHD) which are currently being under-diagnosed, under-identified, mis-diagnosed and under-supported.

Members were greeted by tables bedecked with beautiful cloths, flags and the three-tiered caked stands ready for Afternoon Tea as they arrived in their finery for our June meeting. They wore beautiful hats, and all looked almost as resplendent as the guest speaker who came in the guise of Baroness Bolsover aka Linda Jane Holmes.

Angela Turner welcomed everyone and thanked those ladies who had made the cakes for the village church for the Queen's Platinum Jubilee service, the WI tent at the Lincolnshire Show and for all the food and cakes provided for our own celebration today. We were celebrating not only the Jubilee but also our own WI's birthday which is 69 years this year, OUR 70th being next year! The "Baroness" was dressed in late Victorian style and admired the wonderful table settings and bone China teacups which members had brought with them. She explained the history of Afternoon Tea which began in the 1850's and soon became "de rigueur" within high society including Queen Victoria. There was a certain etiquette required; straight back, good posture, no slurping, napkin folded in a particular way so that crumbs went on the floor and not the dress and so on. High tea got its name by being taken from a "high" table which later became a more substantial meal whereas low tea was taken from a low table meaning the cup and the saucer needed to be lifted. Sugar was never stirred but moved around the cup and it was regarded as rude to put used utensils facing away from the body. Interestingly, the way in which one held a cup was the opposite of what most people think; the cup is picked up by pinching thumb and forefinger together and placing middle finger under the handle and, the little finger was always tucked IN! Tea was made in a pot and always poured into the cup first and then followed by the milk. Coffee was also offered as well as a fruit punch. I wonder what Queen Victoria would have thought about throwing a teabag into a huge, heavy mug and never using a teapot, something that seems to be becoming increasingly popular today? There was an etiquette with the sandwiches too; they often had the crusts removed and should be finger width and nibbled daintily. Cakes were small and consisted of Victoria sandwich, Garibaldi biscuits from 1862, Battenberg from 1884 and scones with jam and cream. Happily, for the hostess, she was not required to wear a corset but was expected to wear a soft, floaty tea gown. Ladies might attend the tea for thirty minutes before going on to

Photo's reproduced with kind permission
of Gordon Grant

the birthday cake made by Janet Hodell as she was still in hospital. Marilyn Ritchie stepped in at the last minute and did a super job.

Sadly, we have lost former member Linda Bartlett who had moved from the village, Linda passed away suddenly and was just 70 years old. She was a lovely, fun person to be with and helped with lots of village events we send condolences to her family from us all.

Craft Club met this month but only nine were able to attend, others were helping get the church ready for the Jubilee, attending a funeral and another at her grandson's birthday party.

CRAFT CLUB will meet again on the 1st Wednesday of July in the Hammond Pavilion 2:00pm - 4:00pm. Open to everyone, not just WI members, come and try us out.

We look forward to seeing current and new members at our next WI meeting on Thursday 14th July at 2:00pm - 4:00pm at Caythorpe Village Hall. The competition will be for any item beginning with the letter "J". Sue Case

In & Around The Garden

After a cool start June has finally reached summer temperatures, and a whole new cast of flowers is taking to the stage. The last of the early bulbs, *Allium cristophii*, makes an impact with flower heads 9 inches across, and on a sandy bank a Californian poppy (Pictured Right) is covered in eye-watering orange flowers. There are a lot of blue flowers at the moment – a low growing sky-blue veronica, and *Campanula portenschlagia* (it used to be *C. muralis* until the taxonomists got at it) covered in blue bells. Annual Love-in-a-mist 'Blue Shades', seeds itself around every year, and this year most of the flowers are a very striking navy blue over feathery foliage.

I failed to do some of the pruning over the winter, and as a result some of the shrubs I grow mainly for foliage are bigger than usual and have far more flowers. The best of these is a dark leaved elder 'Black Lace' (Pictured Left), now covered with flat heads of pale pink flowers and looking very showy. The earliest cranesbills are in flower too, including our native meadow and bloody cranesbills. One native cranesbill, herb robert, is taking over the shady area at the end of the garden. I was warned that it might be a problem and because of its ingenious seed dispersal mechanism, it spread far and wide. I filled half a green bin pulling just some of it up. Even with 45 years gardening experience, I can still make big mistakes.

Although we just have fat-ball feeders out at the moment, we still see a lot of birds. The tits pick over the plants looking for insects, mostly aphids, and a chiff-chaff, usually a secretive bird, has chosen the TV aerial as a singing post. We have also seen a lot of the great spotted woodpeckers on the fat balls lately, though I was reminded that they are essentially predators

when a friend showed me one of her tit nest boxes. The metal plate protecting the entrance hole had proven to be useless, as a woodpecker had bored through the wood below it to take the nestlings. Crows, too, are predators – one took a newly fledged blackbird from the garden next door.

The pond plants are beginning to cover the surface of the water, with water lilies and bog bean taking a lot of the space. Water buttercup and forget-me-not are in flower, and the water crowfoot and water soldier I added last year have started to grow away. Lots of damsel flies, both turquoise and red, are mating and laying eggs at the moment, and we saw a green and black dragon fly emerge a few days ago.

Beyond the village, the hedgerows are bright with white elder flowers and hogweed, with red poppies where the ground has been disturbed. On the High Dyke towards Ancaster dog roses are flowering and look lovely, and on the protected verges tufted vetch, dyers greenweed and buttercups are beginning to replace last month's cowslips. It's summer at last. - JA

Love-in-a-Mist

Advertising in NEWS & VIEWS reaches over 1200 Homes and Businesses!

Caythorpe & District Garden Society

The society's summer social replaced our usual meeting in June. On a warm sunny evening around 30 members gathered in a lovely garden belonging to two of our members and enjoyed a 'bring and share' buffet.

The garden we visited was looking very attractive. The owners grow an extensive range of roses which were in full bloom at the time. They are incorporated in the hedges and borders that divide up the garden and made a colourful and fragrant show wherever one looked. As well as roses the garden includes a wide selection of other plants, chosen for their resistance to rabbits – an important factor as the garden is surrounded by fields. At the time of our visit foxgloves, poppies and red valerian were among the plants in flower, with many more ready to take over as the season progresses. Less vigorous plants that might be overwhelmed in the packed borders are grown in pots and displayed on a paved terrace when at their best. Although roses are the star performers, the other plants, including some choice trees, complement them to give a long season of interest. Many thanks to our hosts for sharing it with us.

Our next meeting will be on July 12th in Carlton Scroop Village Hall, 7:30pm for 7:45pm. Geoff Hodge will give a talk on 'Gardening in dry and drought conditions'. Visitors will be most welcome (£5, including refreshments).

A home from home environment
Giving your child the smoothest transition to 'big school'

A fabulous village setting adjoining Caythorpe Primary School.

Hot school dinners available.

Daily opportunities to mix with the older children ensuring a smooth transition to primary school.

From the Archives by Andy Roberts

35 years ago Mrs.Cis Dalton (nee Taylor) visited her home village of Caythorpe to promote the sale of her autobiography. I bought a copy. Cis Taylor lived initially at Bleak House Farm on Caythorpe Heath moving in 1912 to Hall Farm beside St Vincents Church where her father was a farm bailiff. By the standard of the time the family were quite well off, however, she recounts the hardship and poverty in Caythorpe particularly during and after the 1914-1918 war. The local M.P. Colonel Roysds of Holy Cross House, demolished 1966, established a soup kitchen in the village. She said that some women were so embarrassed at receiving charity they would hide the soup jugs under their coats.

Col Roysds spoke in Parliament about the financial plight of the war widows and their families and the need of the country to help them. She says she got into a fight at school with another girl who mocked a boy who had come to school with his boot soles tied up with string.

Mr.Stokes the Headmaster at Caythorpe Primary School went to cane her for fighting but she stood up to him and told him the reason for the fight. He backed down and gave her extra arithmetic instead. She told her father what had happened who bought the lad a pair of boots and gave him a part time job looking after the farm chickens to help his mother make ends meet.

At the end of the war word was received that a local man was arriving at Caythorpe Station having been released from German Prisoner of War Camp. When he arrived everyone was shocked at his poor physical state. Working on the Hall Farm were a number of German Prisoners of War. Such was the animosity towards them following the village mans return the authorities had to relocate the German prisoners away from the village.

Did you know, News & Views can do Leaflet drops to help you advertise too?

We can place your leaflet / flyer in our magazine to be delivered to around 1200 homes and businesses in the local area and all for just £35!

Caythorpe & Frieston Parish Council

Well, the Queen's Platinum Jubilee has come and gone and hopefully as a community we have all celebrated at least on one of the days if not all of the days. Myself and my family enjoyed all four days of the celebrations and felt that we had a really good community spirit. As it was the street party on Sunday was a washout, however, the move to the marquee on the playing field was made at an early stage and the numbers that attended made those festivities just right, it wasn't too many and there wasn't too few, so well done everyone.

I think a really big thanks has to go out to Dave Cree, he was around for the set up, during the celebrations and then on the Tuesday for the takedown. I believe he, his family and members of the Playing Field Committee have worked really hard to help make this event go, so I'm really thankful to him and all associated that made this a pleasant weekend. Additionally, all of the Platinum Jubilee Committee who organised the different events did an absolutely fantastic job from the Thursday afternoon Treasure Hunt, Quiz in the evening and then the Beacon Lighting, followed by Friday's events Jazz in the Park, Kids playtime and the Barbecue all went really well, Saturday evening, although very cold, had some good groups playing and a good open Mic session, which people fully participate in, so I think a really good community spirit was present. The Sunday as I mentioned earlier, the rain washed out anything that could be held in the street but thanks to Darren Lee and his friends, we managed to have the tables and chairs in the marquees and we had a really good celebration. And of course Darren was on edge all the time as he was due to become a grandfather very soon if not over that weekend.

SKDC helped us along with a good grant, make the weekend work and we had lots of donations from local business either cash or goods or prizes these benefactors were, Mid UK Recycling, PGL, Wards Farms, Alan & Hilary Mason, N2Enterproses, Spar Shop, The Red Lion, the Sports and Social Club, the Waggon and Horses, the Parochial Church Council, the Women's Institute, the Village Hall Committee, the Playing Field Committee and News & Views. Thank you all.

We have had notification that the A607 may be closed due to bridge repair work over the Leadenham bypass, keep your eyes out on our Facebook page, our website and the notice boards to find out the exact dates. I'm not sure if it's only closed at night time or for a long period but hopefully diversion should be in place. Counsellor Allan Graham is looking into what the Stagecoach bus will do during these road repairs so again keep your eyes on the Facebook page and our website as he will post the results of his enquiries on those media and we will put a notice on the noticeboard.

We have had a couple of complaints from residents who regularly take children and walk down the Frieston path, that all the overgrown vegetation on the verges and hedges mean that the children either get stung or if it's been raining get wet through from the overhanging vegetation, if you have a property that has a hedge row and verge which goes onto the Frieston path, hopefully it would be possible for you to cut back the vegetation and hedge row so that people can use a path without getting wet or stung, especially the younger members. I thank you in anticipation and look forward to seeing a clear path.

The Village Hall AGM was held on the 8th of June and very well attended, however, it was a last-ditch attempt to get volunteers to help run the Village Hall. Many people have ideas and we need them to come forward to help us keep our Village Hall going. We know as a

Parish Council that it's situated in the wrong place, with no car parking, as the Playing Field has a lovely cricket pitch and pavilion but again no car parking and the ideal thing would be to combine both of them in a new location. However, there isn't a new location identified within the village that we can take advantage of and therefore we have to make the best that we can with what we have! At the moment if any of you would like to come forward and help this would be very much appreciated, contact the new chairman Richard Johnson, who's contact details I'm sure are in News & Views.

SKDC will at some stage be taking down the garages on Eastcliffe square, which are an eyesore for everyone hopefully it will soon look better.

That's about it for this edition, I can't think of much more to tell you other than we have a Parish Council meeting on the second Wednesday in July (13th) in the Village Hall starting at 7:30pm with a public session starting at 7:15pm, so if you have any interest, any issues or you wish to raise anything with us please attend and we will see how we can deal with them.

Wishing you all the best, **Neil Fritzsche, Chairman CFPC, 07901 598052**

Caythorpe Cricket News by Dave Cree

The Cricket Season continued in good weather - fortunately there were no fixtures scheduled for the Platinum Jubilee weekend - the only Sunday we have had rain in Caythorpe.

The Seniors are currently top of the League, having suffered only one defeat after eight matches. Playing Aisthorpe, Caythorpe won by 10 wickets. Aisthorpe batted first and were restricted to just 124 runs all out, from 38 Overs. The wickets were shared between five bowlers, Dan Pinfold taking 3 for 31, Theo Mussell 2 for 22, Alex Dickinson 2 for 31, Jack Butler 1 for 19, and Joe Dickinson a very economical 2 for 3. In reply our Openers carried their bats, Joe Dickinson scoring 60 runs and Chris Wharmby made 56.

Following this our next opponents were Hartsholme. Caythorpe batted first, and scored 177 runs, being all out in the final over. Chris Wharmby top-scored with 39 runs, closely followed by James King with 38. Hartsholme were then bowled out for only 102, Dan Pinfold taking 4 wickets for just 10 runs from 10 Overs.

The weekend after the Jubilee, Caythorpe travelled to Billingborough. Caythorpe scored freely, making 239 runs for just 4 wickets in their 40 Overs. Joe Dickinson led the way, with 120 runs, Sandy Ireland added a quick 69. Billingborough were restricted to 130 runs all out, with Joe Dickinson leading the way again, with 4 wickets for 43 runs.

The last game in this period saw Blankney suffered a huge defeat by 10 wickets, being all out for 104 runs in 37 Overs. Jack Butler took 5 wickets for 12 runs, a superb performance. In reply Caythorpe's openers were again undefeated, Joe Dickinson scoring 59 runs, and Chris Wharmby 44, and took only 19 Overs - not even getting to the drinks interval!

Our Under 9's are enjoying the Season, having won three of their five matches so far. Playing Market Rasen they won by 52 runs, against Hartsholme Eagles the winning margin was 56 runs. Unfortunately they lost to Nettleham Barracudas by 26 runs, too many wickets being lost.

Under 9's play "Pairs Cricket". Each batting pair face 4 overs, and have five runs deducted for every wicket lost. This ensures all children get to play an equal part in the game.

The other Junior Teams are on a steep learning curve, and have yet to record victories but they are rapidly improving, playing against the "town" clubs who benefit from training facilities all through the winter.

Upcoming Fixtures

Sunday July 3rd (10am)	Under 10's v. Grantham
Sunday July 10th (10am)	Under 9's v. Collingham
Sunday July 10th (1pm)	Seniors v. Cherry Willingham
Wednesday July 13th (6pm)	Under 11's v. Sleaford
Sunday July 17th (10am)	Under 9's v. Bracebridge
Tuesday July 19th (6pm)	Under 13's v. Woodhall Spa
Sunday July 24th (1pm)	Seniors v. Barkston

Not from the Rectory

A month in which the Rector asks ‘Brother, Sister, can you spare a dime – or allowing for inflation shall we say £50?’

Church organs have been around since the time of Pope Vitalian in the 7th century: an organ, with its sustaining tones, is ideally suited to accompany human voices, whether a congregation, a choir, or a soloist, and this is one of its key purposes.

The organ is a keyboard instrument with one or more manuals, and usually a pedal board. In contrast to most other keyboard instruments, the organ’s sound output is continuous and constant for as long as a key is depressed and the organ is one of the oldest musical instruments in the Western musical tradition.

The most well-known type of organ is the pipe organ, so named because it produces its sound through pipes, although many people simply refer to it as the “organ”. A musician who plays the organ is an organist and a person who builds or maintains organs is an organ builder - and the most famous composer of music for the organ is Johann Sebastian Bach.

At a recent service in St Vincent’s, Caythorpe, the guest organist was Dr Tim Williams of St Wulfram’s, Grantham, and while commenting on what a superb instrument St Vincent’s has he also agreed that work is necessary to maintain the organ and hence this appeal to you:

The organ in St Vincent’s was originally built in 1871 by the Hull firm of Forster and Andrew at a cost of £270 (John Heald has a copy of the signed receipt) but by 1984 it had become ravaged by woodworm and the floor underneath unsafe with wet rot. As a result, in 1985 the organ was rebuilt, using most of the original pipes at a cost of £8000 raised by giving, entirely from the village, and resulting in the instrument we now have in our Parish Church.

The organ at the west end of the nave contains the pipes – there are over 700 - and it is played from the remote console in the Arnhem aisle and the two are connected by 3 cables each containing 1000 separate wires.

Initially, in the 1980’s, quotations were sought to repair the existing organ as it stood but these were beyond our means and at this stage the Diocesan Organ Advisor came to the rescue and put John Heald and the Rector at the time in touch with Charles Groves & Son of Nottingham who had recently removed a Gray and Davison organ from a church in Chilwell.

This organ had been re-constructed in their workshops and electrified and the decision was made to site the console in the north aisle where we see it today and to incorporate some of the ranks of pipes from the old organ into the new one while retaining the best of the Gray and Davison pipework. Approximately half of the pipes are original – the loud pipes plus the painted front

pipes – and half (the quiet pipes) came with the ‘new’ second hand Gray and Davison organ. John Heald – who has supplied the information about the history of the church organ in St Vincent’s – has advised the PCC that the ‘rebuilt organ has served us well for almost 40 years but now the tab switches (or stops) on the console which control the choice of pipes and hence the sound, are worn out and need replacement’.

There are 20 such tab switches and each costs £50 to replace and the labour to do the work costs a further £500 and the VAT on this will be £300 – in all £1,800 and the PCC is looking for 36 donors willing to contribute £50 each to cover this project as we have no available funds for this – such funds as the church has are required to low level stone work on the north chancel wall to make it watertight.

If you would like to support St Vincent’s in this and enable the PCC to order the required work can you kindly make out your cheque to ‘PCC St Vincent’s Caythorpe’ and hand it either to the Treasurer (Richard Johnson) or to one of the Wardens (John Scott and Jo Russell) or to the PCC Secretary (Judith Scott) or indeed make a direct bank transfer to the PCC bank account at 30-93-58 ac 00181499 and use as the reference the word ‘Organ’.

On behalf of the Wardens and PCC may I thank you for reading this appeal and for your generous response to ensure the organ in our Parish Church continues to be one which gives praise to the Lord:

All things that give sound; Each jubilant chord,
Re-echo around; Loud organs, His glory
Forth tell in deep tone, And, sweet harp, the story
Of what He hath done

Stuart Hadley (Rector of the Southcliff Benefice)

News & Views Shout-Out

I'd like to give a shout out to Margaret Jewitt and Chris for organising and printing out the invitations to the reinstated Frieston picnic, which took place on Sunday 12th June on upper Frieston Green. The last picnic may have been in 2016 which was before we arrived in the village, but a chance conversation with Margaret at Garden club soon got the ball rolling again. The picnic was well attended and we had the chance to mingle and chat with people who were new to Frieston, and also met people who have been here for many years. Thanks for making us feel welcome Margaret.

Janet McNeill (Frieston Resident)

Dear Editor, Complaints have been made to Stagecoach about their No 1 Caythorpe to Grantham 0751 weekday service, which, due to traffic congestion runs 10 to 15 minutes behind time. This late running causes school children attending Grantham schools to be late for the start of their lessons. Stagecoach are aware and monitoring and have told the Parish Council they will consider amending the departure time of 0751 in a new September timetable. We will progress chase but it would help if affected passengers contact Stagecoach East Midlands direct to encourage them to resolve the situation.

Andy Roberts, Caythorpe
