

Caythorpe Fireworks 2026

The fireworks this year will be held on Saturday 7th November commencing at 7pm on the Playing Field Old Lincoln Road.

This promises to be a spectacular evening with food and drinks available before and after the event. There will be hot dogs, and jacket potatoes with chilli and cheese as well as tea, coffee and chocolate, and both soft and alcoholic drinks from the Sports and Social Club. The ice cream van will be in attendance and candy floss will be available from the scouts.

Sparklers will be on sale and there will be a designated area for their use with adult supervision and safety equipment. The ever popular glow sticks will also be on sale and this year there will also be a pick and mix sweet stall.

There will be free parking on Old Lincoln Road, Church Lane and the High Street, but parking is limited, and to avoid congestion we ask that you arrive early and do not drive unless you have to.

Our firework contractor has imposed a substantial price rise this year, but we are promised an enhanced display. To meet this increased cost, we need as much support from the villages as possible, and would ask you to dig deep to give donations to ensure this event is able to continue.

Gates will open from 5pm so come early, get a good spot to watch, and enjoy the build up, and some food and drink before the sky lights up with colour and noise.

We hope for good weather, but it is rare that it is too bad for a display to go ahead. Please dress for the conditions and be aware that there is limited lighting.

I look forward to seeing you there.

Caythorpe & Frieston Parish Council
